

Dear **Student First Name** and family,

Congratulations on completing Book 4 of the Young Musicians' Course at the end of this semester!

You will now be moving on to Book 5 and Book 6 which comprises the final year of the course. The class will continue to enjoy learning repertoire pieces, keyboard harmony and ensembles and will also learn valuable skills in arrangement techniques, creativity and music reading and analysis.

At this level we recommend you begin private lessons in addition to the group class. The private lesson is 30 minutes in duration and you may choose to attend weekly or fortnightly. In this lesson you will be learning other pieces from Book 5 and 6 and refining your solo performance skills. Depending on your interests and achievement goals, you may also choose to prepare for and sit piano exams and participate in the Yamaha Solo Festival.

Below is a form for you to indicate your preference for day/time/location and frequency of your private lessons.

A Customer Service Assistant will contact you to confirm the available private teacher. Before commencing lessons, the private teacher will also contact you. Please note that the private lessons will be invoiced to you directly by your private teacher at the beginning of each term.

Please tear off the Private Lesson Request Form and return to your teacher in the next lesson. If you have any further questions, do not hesitate to call or e-mail us.

Yours sincerely,
